- 8.1 Teams are responsible for entering their own players on the court laptop. Scorers should check their opponent's team and the name of any player not present is to be removed from the playing section of the system on game day. If there is a dispute the matter should be referred to the referee. The game shall not commence until such time as all the above details have been confirmed. Late start penalties will apply during this period (also refer to by-law 8.7 and 8.8).
- 8.2 If in the opinion of the relevant Competition Administrator, either team plays an unregistered player, then the offending team(s) will not have those games counted towards qualifying for the finals.
- 8.3 Only ten (10) players per team can be selected to play per game.
- 8.4 Player's names may be added to the court laptop at any stage of the game but must be added prior to their taking the court.
- 8.5 All teams are required to provide a competent scorer in any game in which they are engaged unless scorers are appointed by KBA. Teams who fail to do so by ten (10) minute mark of first half will be penalised by having five (5) points added to their opponent's score. This will be added by the officials at the first dead ball following the ten (10) minute mark. If for any reason an official does not apply points per the above, the official will apply the points as soon as they are made aware of the error before the end of the game.
- 8.6 Players shall be allowed to score and to sub into the game off the score bench.

After ten (10) minutes delay an un-notified walkover will be awarded in favour of the correctly constituted team present. Where a game is scheduled to commence at 6:15pm or earlier, a 15-minute delay before a walkover is called will be permitted in lieu of the normal 10-minute delay. Also refer to by-law 19.

- 8.8 Teams must have at least four (4) players on the court before a game can commence.
- 8.9 A player cannot play in more than one game per night except to prevent a walkover for a team.
- 8.10 If a player is used to prevent a walkover and subsequently a registered player for that team substitutes on, the player used to prevent the walkover must substitute off and exit the game. The team will continue to play with four registered players.

9. POINTS ALLOCATION

- 9.1 The winning team will be awarded three (3) premiership points and the losing team one (1) premiership point. Two (2) premiership points will be awarded to each team in the event of a draw. No points are awarded for a fixtured bye or where games are cancelled.
- 9.2 Competition ladders are sorted via the points average system. A team’s points average is attained by dividing the total number of competition points by the number of games they actually played. Teams with the higher ladder points average shall be higher on the ladder.
- 9.3 At the conclusion of the regular season, should two teams be in an equal position on the ladder according to ladder points average, percentage shall determine the higher position.
 - 9.3.1 Should both ladder points average and percentage be equal, the team with the higher ‘points for’ shall determine the higher position. Should two team still be equal, the following method shall be used to split them
 - 9.3.2 The teams’ head-to-head record will be considered. Firstly, by comparing the number of wins against each other, with the team with the most wins taking the higher position. If this still does not separate them, the number of points scored in head-to-head competition will be totaled with the higher points taking the higher position.
 - 9.3.3 Should this still not resolve the issue, the teams will play a deciding match during the week prior to the finals beginning to decide who will occupy the higher position.
 - 9.3.4 This system will only apply to teams eligible to play in finals; all other teams will receive a tied ladder positioning.

- 9.4 In the event of a walkover the score shall be recorded as 10-0 with the non-offending team being credited with a win. This team shall receive three (3) premiership points whilst the offending team shall receive zero (0) premiership points.
- 9.5 If both teams fail to appear without notification, then neither side shall receive any premiership points
- 9.6 If a game is abandoned as a result of a team not being able to continue to field a team or the referees deem the teams conduct warrants a cancellation the following shall occur:
- 9.6.1 If the team responsible for such actions is currently leading on points, the opposing team will be awarded three (3) premiership points and a score of 2-0 shall be recorded for percentage purposes. The team responsible for the forfeit shall receive zero (0) premiership points.
- 9.6.2 If the team responsible for such actions is currently trailing on points, the winning team's score at that time shall stand and the team will be awarded three (3) premiership points. The team responsible for the forfeit shall receive zero (0) premiership points.
- 9.7 If in the opinion of the referee or venue supervisor the decision to abandon the game occurs due to water on the court, high temperatures, a player being injured and unable to be moved off the court or equipment malfunction the following shall occur:
- 9.7.1 If the game is abandoned prior to the completion of the first half, the game is not deemed to have been played and both teams will be awarded a bye. This does not apply to situations covered in by-law 9.6.
- 9.7.2 If the game is abandoned after the completion of the first half the scores at the time of cancellation will stand as the final score.

10. UNIFORMS

20. SIN BIN

- 20.1 The sin bin will be implemented as follows:
- The rule is applicable to a player who displays poor conduct or sportsmanship that warrants a behavioural technical foul. This includes dissent, arguing with the referee, inappropriate language, pushing and shoving. A technical foul will be called and administered in the usual way. The difference is that the player will leave the court and may not return to the game for five minutes of playing time.
 - The five minutes is a 'fixed time' during a playing period, regardless of whether a time out is called or not.
 - The player may be substituted if a sub is available.
 - The referee will note the time on the playing clock that the player leaves the court and calculate the earliest time that the player may return to the court through a normal substitution.
 - If a second technical foul is received during the course of the game, this will result in a disqualifying foul and the player will be asked to leave the stadium.

Anyone who accumulates three or more behavioural technical fouls on the register will have the applicable penalty applied as outlined in the Participant Behaviour Policy

Examples:

1. A player who is sin binned and leaves court with 12:35 remaining on the game clock may return at the nearest available substitution opportunity after the clock ticks past 7:35.
2. A player who is sin binned and leaves the court at with 3:20 remaining on the game clock in the first half may return after the clock ticks past 18:20 in the second half.
3. A player who is sin binned and leaves the court with less than 5 minutes to go in the second half cannot return to the game.
4. On return to the playing court, if the player commits a similar indiscretion, a disqualifying foul will be applied with the normal penalty.
5. Reportable offences are reported to the Tribunal in the usual manner
